

CANCER NAVIGATION

CHW Training
5 DSHS Certified CEUs
English & Spanish

COURSE OBJECTIVES

*Preparing CHWs/Promotores with practical tips
in navigating a cancer patient.*

Students will learn how to:

- Compare and contrast personal and system level barriers affecting cancer navigation
- Discover the similarities between CHWs and Patient Navigators in the scope of cancer navigation
- Create cancer navigation tools to use during their community outreach events
- Identify the four phases of cancer navigation
- Recognize the importance of communication skills in cancer navigation
