

Taking the course:

1. This module is divided into six sections. There will be course videos, handouts, and discussion board posts associated with each section, if applicable. You can take this course in English or in Spanish.

The screenshot shows the Moodle course interface for 'Breast Cancer Prevention & Detection'. The breadcrumb trail is 'Dashboard > Courses > Coming Soon > Breast Cancer Prevention & Detection'. The course title is 'Breast Cancer Prevention & Detection'. Below the title, there are several sections: 'Announcements', 'Anuncios', 'Parking Lot Discussion Board', and 'Estacionamiento del Foro de Discusión'. A 'Certificate of Completion' is listed as 'Not available unless any of: You achieve a required score in Post-Test, You achieve a required score in Post-Prueba'. The main content area is divided into two sections: 'Prevention & Detection: Introduction' and 'Prevención y Detección: Introducción'. Each section contains a list of activities with progress indicators. On the right side, there are several widgets: 'SEARCH FORUMS', 'LATEST ANNOUNCEMENTS', 'UPCOMING EVENTS', and 'RECENT ACTIVITY'. The 'RECENT ACTIVITY' widget shows activity since Saturday, 15 July 2017, 11:43 AM. The 'COURSE UPDATES' widget shows 'Deleted Custom certificate', 'Deleted Custom certificate', and 'Added Custom certificate: Breast Cancer Prevention & Detection: Certificate of Completion'.

2. Begin the class by watching the videos in each section. Open each video by clicking on its title. Click "Enter" to watch the video. If you would like to start over, please click on "Start a new attempt" icon. Please watch the videos in the order they are listed.

Pre-Test and Myth or Fact Activity

The screenshot shows the Moodle activity page for 'Pre-Test and Myth or Fact Activity'. The page has two tabs: 'Info' and 'Reports'. The 'Info' tab is selected. The activity details are as follows:

- Number of attempts allowed: Unlimited
- Number of attempts you have made: 1
- Grade for attempt 1: 0%
- Grading method: Highest attempt
- Grade reported: 0%

At the bottom right, there is a button labeled 'Start a new attempt' with an 'Enter' key icon below it. This button is circled in red.

3. After watching the course videos, post in the discussion board(s) for the section, if applicable. Open the discussion board by clicking on the "Discussion Board" link.

Prevention & Detection: Statistics and Risk Factors

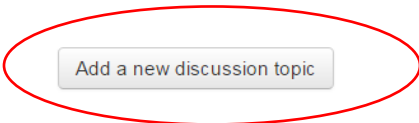

4. To post in the discussion forum, select the "Add a new discussion topic" icon.

Discussion Board: Crossword

Please print the blank worksheet of the breast cancer awareness crossword found in the [handouts](#) folder in Moodle.

Fill in the crossword with the correct answers.

After completing the worksheet, please upload a picture of the activity sheet on this discussion board.

5. Then, title your post in the "Subject" field and enter the text of your post in the "Message" field.

Discussion Board: Crossword

Please print the blank worksheet of the breast cancer awareness crossword found in the [handouts](#) folder in Moodle.

Fill in the crossword with the correct answers.

After completing the worksheet, please upload a picture of the activity sheet on this discussion board.

Your new discussion topic

A screenshot of the Moodle discussion post form. The "Subject*" field and the "Message*" field with its rich text editor toolbar are circled in red.

6. You may also upload additional files as attachments.

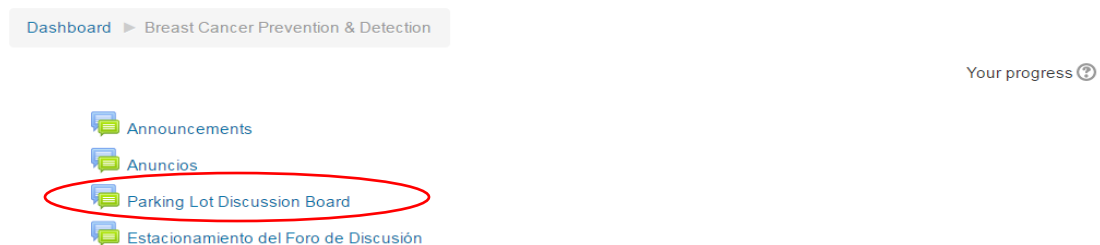

A screenshot of the Moodle attachment upload area. The "Attachment" label and the drop zone with a blue arrow and the text "You can drag and drop files here to add them." are circled in red.

- When finished writing, select the “Post to Forum” button.

- As a reminder, the number of CEUs for each course indicates how many hours it should take to complete the course. Since this is a 4.0 CEU course, the entire training is designed to be completed in four hours.
- If you have any questions and/or information to share with other CHWs or students taking the course, please post in the “Parking Lot Discussion Board” found at the top of the course home page. Open the discussion board by clicking on the “Parking Lot Discussion Board” link.

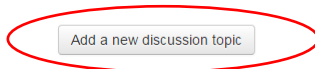

Breast Cancer Prevention & Detection

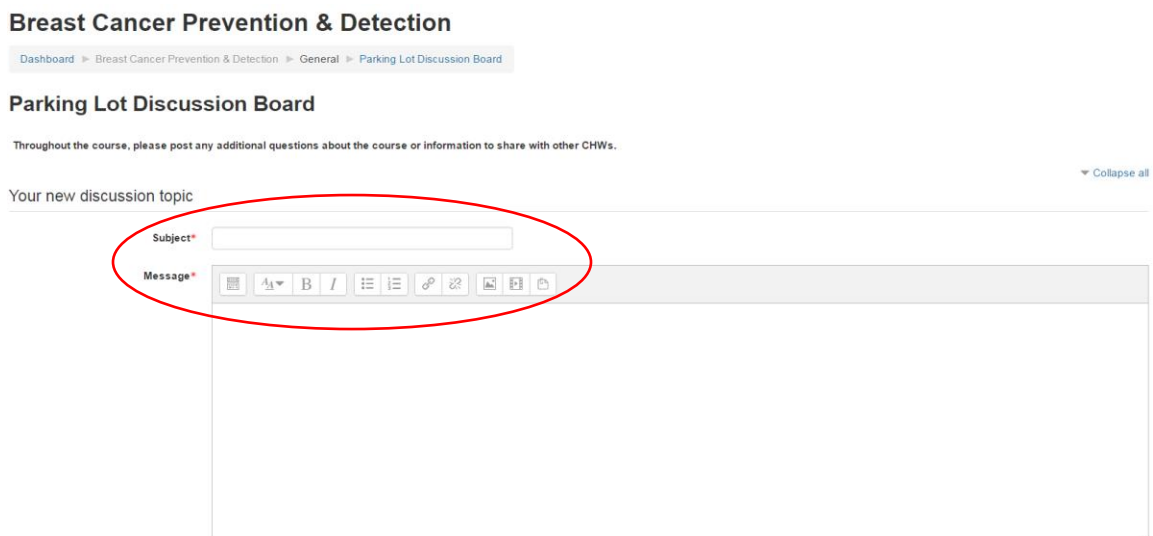

- To post in the discussion forum, select the “Add a new discussion topic” icon.

Parking Lot Discussion Board

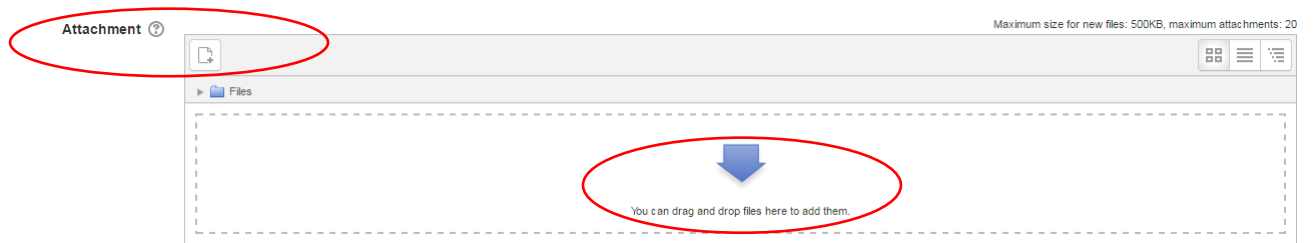

Throughout the course, please post any additional questions about the course or information to share with other CHWs.

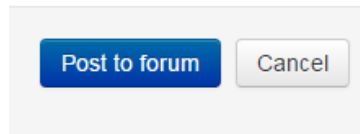

- Then, title your post in the “Subject” field and enter the text of your post in the “Message” field.

12. You may also upload additional files as attachments.

13. When finished writing, select the "Post to Forum" button.

14. Please make sure to also complete the pre-test (Section 1) and post-test (Section 6), and submit the evaluation (located in the "Handouts" folder in Section 6) in order to access your certificate of completion.

Accessing your certificate:

1. Once you have watched the videos and passed the post-test, you will be able to view and download your certificate of completion. Click on the “Certificate of Completion” icon at the top of the course home page. You will not be able to access the certificate if you did not pass the post-test.
